WORK EXPERIENCE

Google Inc.

City: Berlin | **Country:** Germany

[18/10/2025 – Current] **Senior UX Designer**

- Led end-to-end UX design processes for digital products, including user research, wireframing, prototyping, and high-fidelity interface design.
- Collaborated closely with product managers, engineers, and stakeholders to define user needs and translate them into intuitive, scalable design solutions.
- Conducted usability testing and user interviews to gather insights and iteratively improve product experiences.
- Developed and maintained design systems and component libraries to ensure consistency across multiple products and platforms.
- Mentored and guided junior designers, providing design critiques and supporting their professional growth.
- Analyzed user behavior data and metrics to identify pain points and opportunities for design improvements.
- Presented design concepts and solutions to cross-functional teams and leadership, influencing product direction and strategy.

Amazon De

City: Berlin | **Country:** Germany

[01/08/2024 – 10/09/2025] **Senior UX Designer**

- Led the design of user-centered digital products and features for Amazon's customer-facing platforms, focusing on improving usability, engagement, and conversion rates.
- Conducted user research, usability testing, and data analysis to identify pain points and drive evidence-based design decisions.
- Collaborated closely with product managers, software engineers, and business stakeholders to define requirements and deliver scalable design solutions.
- Developed and maintained design systems and component libraries to ensure consistency and efficiency across multiple product teams.
- Created wireframes, interactive prototypes, and high-fidelity designs using tools such as Figma and Adobe XD.
- Mentored junior designers and contributed to design critiques, helping improve overall design quality and team capabilities.
- Presented design concepts and research findings to leadership and cross-functional teams to influence product strategy and roadmap decisions.

Sure Oak

City: New York | **Country:** United States

[10/02/2023 – 17/10/2024] **Designer**

- Designed visual assets, marketing materials, and digital content aligned with brand guidelines and project requirements.
- Created user interfaces, wireframes, and prototypes for web and mobile applications to enhance user experience.
- Collaborated with marketing, product, and development teams to deliver high-quality design solutions on time.
- Developed and maintained brand identity elements, including logos, illustrations, and design systems.

- Conducted design research and gathered feedback to continuously improve visual communication and user engagement.
- Managed multiple design projects simultaneously while maintaining consistency in quality and brand standards.

upwork.com

City: Dhaka | **Country:** Bangladesh

[01/02/2022 – Current] **Designer**

- Delivered high-quality design solutions to international clients on the Upwork platform, including UI/UX design, web design, and graphic design projects.
- Collaborated directly with clients to understand requirements, provided design concepts, and iterated based on feedback to meet project goals.
- Managed multiple freelance projects simultaneously while maintaining high standards of quality, creativity, and timely delivery.
- Created wireframes, prototypes, and final design assets using industry-standard tools such as Figma, Adobe XD, and Adobe Creative Suite.
- Built strong client relationships through clear communication, professionalism, and consistent delivery of results.
- Developed and maintained design systems and brand guidelines for various client projects across different industries.

VOLUNTEERING

[15/08/2018 – 31/12/2021] **Smile Secret of Your Happiness** Narsingdi-1600, Dhaka, Bangladesh

Founded and led Smile Secret of Your Happiness, a community initiative focused on promoting mental well-being and spreading positivity among local residents. Organized awareness sessions, motivational talks, and interactive activities aimed at reducing stress and improving emotional health. Created safe spaces for open conversations and worked to reduce the stigma around mental health in the community. Actively engaged with local people in Narsingdi to encourage positive thinking and healthier lifestyles from 2018 to 2021.

[01/09/2018 – 15/07/2021] **BD Clean** Narsingdi-1600, Dhaka, Bangladesh

Volunteered with BD Clean, a community-based environmental initiative dedicated to promoting cleanliness and sustainable practices in local areas. Actively participated in regular cleaning drives, waste management awareness campaigns, and community mobilization activities across Narsingdi and Dhaka regions. Collaborated with team members to organize cleanliness events, engage residents, and advocate for responsible waste disposal. Contributed to raising public awareness about hygiene and environmental responsibility, supporting cleaner and healthier neighborhoods from 2018 to 2021.

Contributed as a young writer to Kishore Alo, one of Bangladesh’s most popular children’s and teenage magazines published by Prothom Alo. Wrote articles, stories, and educational content focused on inspiring young readers and promoting knowledge, creativity, and moral values. Developed strong skills in creative writing, content creation, and audience-focused communication. Supported the magazine’s mission of nurturing young minds through meaningful and engaging content from 2018 to 2021.
